OF UNITED STATES POWER SQUADRONS  
PO BOX 411, BURNT HILLS, NY 12027

## *Commander Message*

*By David J. Hawthorne*

I have to admit, given our current temperatures, the thought of boating isn't crossing my mind! All I might be able to conjure up are visions of those wind-powered "ice sails" that winter lovers scoot over frozen lakes, on.

I'm sorry but the thought of wind, making it feel even colder than it already is, makes me shiver just thinking about it! In fact, I'm putting the kettle-on as I write this. The Upstate Boat Show is coming up soon and I hope for the sake of all the sales persons who are working there that the weather conditions will moderate to help get people a little more in the boating (boat-buying) mood.

Another Change of Watch will also be coming-up and we'll have to put the nominating committee to work, one more time. Something to address at our next executive meeting. By then, I hope the weather truly shows signs of improvement so we can feel the stirrings of getting back-out onto the water! In the meantime, stay warm and healthy. And I hope everyone's Holidays were enjoyable!

Pardon me, the kettle is whistling.
