Commander Message

Cmdr. George K. Williams, AP

Hello again - I have been elected and sworn in as Squadron Commander for a third time.

Our recent Change of Watch was held on April 15th at the Glenville Queen Diner and on behalf of the Squadron, I wish to formally thank P/C David Hawthorne for making the arrangements on our behalf. Our guests included District 2 Commander Susan Darcy who officiated at this year's Change of Watch ceremony. Also in attendance were Sacandaga Squadron P/C Robert Terry, family members of our Bridge Officers and special guests. We all had a wonderful time enjoying each other's company!

Many good suggestions were presented at the COW on how to increase attendance at our functions. Among them was the possibility of changing the times of our meetings to perhaps Saturday morning or early afternoon. We welcome your thoughts and feedback on this topic to keep our Squadron alive. Would a change be best in allowing you the opportunity to attend? And, oh yes dear Squadron-mates, we warmly welcome your ideas for future Rendezvous venues, speakers or other social and boating activities. Don't forget to renew your Squadron membership.

Spring is finally here – and with spring we begin the 2018 boating season.

Have fun and always boat safely this season!

Vessel Safety Check 2018

Vessel Safety Check Vision: *Safe, Fun & Responsible Recreational Boating.* The VSC Program helps to achieve voluntary compliance with federal and state recreational boating safety laws, particularly with regard to the carriage of safety equipment while raising boater awareness about safety and environmental issues through voluntary contact by a Vessel Examiner (VE). Vessel Examiner discussions with recreational boaters is designed to motivate recreational boaters to maintain and operate their boats in a safe manner, taking boating safety courses to increase their knowledge and skills in boating and promoting overall safe boating. Call Armand at 372-7220 to schedule your VSC.
